Re: Joint Application of Frontier Communications Corporation, New Communications of the Carolinas, Inc., New Communications Online And Long Distance LLC and Verizon Enterprise Solutions LLC for Approval of the Sale of Assets and the Transfer of Authority and Certifications - Docket No. 2009-220-C

Dear Mr. Terreni:

On behalf of Verizon and Frontier, and pursuant to a ruling by the Commission Chairperson, I am enclosing a copy of the **Confidential** Employee Matters Agreement which addresses, in Article V, the Verizon Employee Pension Plan. The Commission identified this document as Exhibit 2 in the hearing conducted yesterday. The Commission also ruled during the hearing that this Exhibit would be placed in the record of evidence as a **confidential document**. As a result, pursuant to PSC Reg. 103-804.S(2), this document is not subject to the public records provision of PSC Reg. 103-804.S(1). This document was previously provided as an Attachment to the DOD Responses, question 42, pursuant to a written Confidentiality Agreement. The office of ORS has also reviewed this document pursuant to a written Confidentiality Agreement.

If you should have any questions, please do not hesitate to contact me.

Sincerely,

Steven W. Hamm
